

Proudly Supporting Make in India campaign

Kapri Corp was formed in 2005 to meet the growing needs of Government, its security agencies and the private sector in the field of High End Security Solutions as an answer to the scourge of terrorism and high incidence of criminal activity today.

The business covers technology transfers and inhouse indigenisation of manufacturing & assembly of subcomponents, calibration & services of various high - end security solutions involving domestic and international project executions. Today our group turnover is more than USD 12 - 15 Million. We provide customized solutions to our valued clients that is based on a thorough analysis of the situation each clients face as well as their budgets.

Situated in Mumbai, & Delhi, Lucknow, Patna, etc, Kapri Corp has its unique advantage of dealing with the best corporate and government authorities. With our consistent efforts and our experience reinforced with honesty, hard work, innovation and excellence, we have established a good reputation in cooperation & technological tie ups with companies in the Turkey, Russia, Germany, Sweden, Taiwan, America, & UK in support of "Make in India" and "Atma Nirbhar India" initiatives.

With our highly trained team of support staff, we respond to calls for service and maintenance within the shortest possible time. The R&D, production, and service & maintenance team consists of the Managing Director, the Technical Head, Business Development Head and a number of experienced engineers & technicians. Being an ardent supporter of Hon' Prime Minister's Initiative of "Make in India" & Atamnirbhar Bharat" our company have taken huge strides in designing, manufacturing & localizing our offered solutions. Our ever increasing dealer network has enabled us to provide services throughout India. Quality and customer satisfaction has been the primary motto of our enterprise and we have always excelled, bringing quality integrated solutions (for example EOD & IEDD Solutions (Anti Sabotage equipments), Screening & Metal Detection solutions, Surveillance & Anti Surveillance solutions, Drones & Anti Drones Systems etc.), and services to our customers over the world.
